15 Cont.
8'CAPTAIN THOMAS COUPE HOUSECoupeville, Whidby Island, WashingtonOWNER:- Mr. Edward BruceDATE OF ERECTION:- 1886BUILDER:- Captain CoupePRESENT CONDITION:- GoodNUMBER OF STORIES:- Two stories

MATERIALS OF CONSTRUCTION:- Frame building, front facade siding,
sides and rear vertical boards and battens.
Fireplace, inside chimney.

OTHER EXISTING RECORDS:- This is the first frame house built on
Whidby Island. Captain Coupe brought the lumber from California,
"California redwood", in his ship, to build the house. He also
brought settlers to the island.
Coupeville is named after him.
